# ROSE BOWL, PASADENA, CALIFORNIA SCENE OF THE ANNUAL FOOTBALL CLASSIC

Each year the Tournament of Roses Association invites the western university whose team has made the most outstanding record during the season. The university in turn invites its opponent of similar standing from the Big Ten. The game played on New Year's Day is traditional and has become a national classic. Over 101,000 football enthusiasts crowd this immense stadium for this famous event. The Rose Bowl is also the setting for many community events and athletic contests throughout the year.

Of interest to the visitors are the 5,000 beautiful rose bushes, some 157 varieties, that encircle the stadium.

TO: All IFA Members  
FROM: Executive Director  
SUBJECT: IFA Master's Qualification Meet - April 27 [10 AM till 4 PM]

Even the world's great gold troubles and a boiling political pot won't keep the IFA Master's Qualification Meet from taking place on April 27, 1968 at the famed Pasadena Rose Bowl between the hours of 10:00 AM to 4:00 PM.

For each IFA member -- whose devotion to the Sport of FRISBEE compelled them to join the ranks of the IFA -- this event provides the opportunity to meet with their peers and help further this restless giant of a sport. The Arrangements Committee has gone all out to make this an exciting, fun-filled, noteworthy event. The food and refreshments will be outstanding and will be provided to all IFA members at no charge -- courtesy of our friends at Wham-O.

All qualifying Masters will receive: a Master's certificate and special membership card, a registered Master FRISBEE and carrying case and a Master's blazer patch.

Should a candidate fail to pass the Master's proficiency test, he can qualify and will be certified at his best proficiency. All proficiency tests are outlined in the enclosed Official IFA Proficiency Manual.

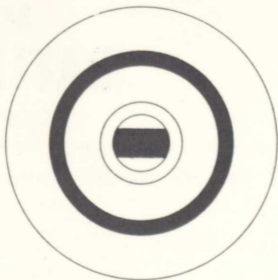

This memorable undertaking is exclusive to IFA members. However, membership application forms will be available for any non-members who wish to attend.

Registration and check-in begins promptly at 10:00 AM. First qualification sets begin at 10:30 AM. Lunch will be served at 12:00 Noon. Both the Pro Model and the Master Model Frisbee will be provided to each attending IFA member.

**THIS IS THE FRISBEE EVENT OF THE YEAR. CONFIRM YOUR ATTENDANCE BY CARD OR LETTER TO IFA HEADQUARTERS TODAY. DON'T MISS THIS MEET!**
