International Frisbee® Association™

August 6, 1976

Dear Frisbee Person,

One way or another you have qualified to compete in the 1976 World Frisbee Championships. You are part of what will undoubtedly be the finest field ever assembled for a competitive meet. I am particularly proud of the method by which this field has been selected for invitation. Credit for making the National Series Events and the resulting invitation system must be given to the hundreds of people who worked at each site to make each meet possible. It has been a good year and I look forward to having you with us in Los Angeles to celebrate the culmination of the season.

Please respond immediately by calling collect station-to-station to (213) 287-2257 between 9:00 AM and 4:00 PM. Also, please return your signed release forms today as we must have them completed in order to finalize the various details for your participation and to issue your tickets.

Sincerely,

1976 World Frisbee® Championships

August 6, 1976

Dear Frisbee Contestant:

As you may have heard by now, CBS Sports Spectacular will be filming the 1976 World Frisbee Championships at the Rose Bowl. This will make it possible to promote the event on a much larger scale than ever before and will result in extensive exposure for the accomplishments of Frisbee athletes.

Additionally, there will be coverage this year by a film crew from the Walt Disney Studios for their daily Mickey Mouse Club program which will begin in January of 1977. A copy of their release form is enclosed for those to sign who wish to be considered for any possible personal opportunity that may develop subsequently as the result of this filming and exposure. Incidentally, we would prefer that the release be returned to us promptly, instead of bringing it with you, as stated in the Disney covering letter.

On our part, we require only the signing of a standard release form relating to liability for contestants, which must be returned to us prior to departure from your home city.

In order to meet our schedules, we ask that you return any and all signed releases to us in the stamped, self-addressed envelope without delay. We all look forward with great anticipation to your arrival and wish you the best of luck in the competition.

Cordially,

Irv Lander

Dear Jim:

Each year, one person is selected from the U. S., to represent our Country on the Olympics Panel -- whose 1976 meeting will be held in Greece. There are five nations represented.

According to Donn Blake, our good friend in Las Vegas, the honor of representing the United States is going this year to Patricia Dillingham, of the Recreation Department--University of Nevada at Las Vegas, 4505 S. Maryland Parkway, Las Vegas, NV 89109.

Ms. Dillingham will be leaving June 22 for Greece and would like to take along about a dozen Special Bicentennial Frisbee discs. I would strongly also recommend she be given two Frisbags to take along, too, one for herself and one as a gift.

I am certain that it will pay off for Wham-O. The other four people will undoubtedly bring something as a gift that is typical of their nations.

Best,

Irv Lander
