Dear WFC Competitor:

For the fifth year in succession, the Wham-O World Class Frisbee® disc endorsement program will be related to the results of the World Championships. While there are other methods of selecting endorsement teams, we believe this method to be the most fair and to provide the best stimulus for all players and the sport of Frisbee® disc play in general.

This year's program has been changed from that of last year's in order to offer endorsement opportunities to a greater number of players. The 1979-80 endorsement pool has been increased to a fixed guarantee of \$30,000. The following positions will be invited to participate in the program.

After the official determination of final positions have been established, each of the involved players will be invited to participate in the '79-'80 program by signing an endorsement contract for the year. If any players do not wish to participate, the other players will split the \$30,000 among fewer shares.

If any individual player holds more than one of the share positions, he or she will receive the shares for each position. Each participating player will also be given a complimentary Frisbee® disc product account for the coming year.

We at Wham-O hope you will find the endorsement program an exciting element of the World Championships and that your participation in the meet will be enjoyable and satisfying.

Sincerely,

Robert P. Gardner
