THE WFC EVENT REVIEW SHEET:

In the column marked 'prelims/sect cut', the competitors's performance in the preliminary round and the cut for advancement to the semi final round in his section are listed. The performances of the top 15 competitors will, of course, be greater or equal to the section cut, and the bottom 15 competitors will have performances less than the section cut. These competitors can advance no further in the event and can, therefore, be assigned event points. This point total is listed at the right. There are no points listed for the semi-finalists, as there final position is the event is unknown at this time. They are guaranteed, of course, a minimum of 16 points.

CONDORS TAKE NATIONAL TITLE

An unrelenting defense combined with Penn State turnovers to produce a surprisingly large margin of victory for the undefeated Santa Barbara Condors. Penn State showed flashes of the strong play that won the Eastern Ultimate crown but could not sustain that level of play through the game.

FINAL RESULT: Santa Barbara 32  
Penn State 14
