

FRISBEE® TOURNAMENT

1978 WESTERN NATIONAL ULTIMATE FRISBEE CHAMPIONSHIPS

PRESS RELEASE ***** PRESS PASS

You have an opportunity to witness, record, and report about the highest quality of Frisbee activity in the world. The world's finest teams and individuals will be demonstrating and competing in Ultimate Frisbee, (which you've heard about and seen on national TV). Frisbee is no longer just a toy game. Its evolution is revealing it as a totally unique sport and recreation. 50,000 attended the World Frisbee Championships Bowl last August. On hand for this competition will be many World Champions including men, women, and K-9 Frisbee-catching dogs, whose halftime performance at the 1978 Super Bowl delighted spectators. Also participating will be Victor Malafronte, Original World Champion; Tom McRann, World Class Champion; John Kirkland, Current World Champion; and Monika Lou, Women's World Champion; all winners in Freestyle and Frisbee Golf, as well as other events.

Ultimate Frisbee - a fast moving game using two teams of 7 players each, with action much like football, basketball, and soccer. The object is to score points by passing disc to teammate in end zone. Has to be seen to be believed. The space age sport of the future is here today.

* Photographic and film rights and passes are available and negotiable.

We are expecting elaborate coverage, including major national TV.
