Tempe, AZ 85281

Dear Mike,

I feel certain that, in many ways, this year's WFC was the best we have ever had. A major reason for the success is that the staff was a most effective working crew. Without exception our people were there to cover the bases and pick up the extra court (tape, hole, etc.).

I hope you will share the pride of helping to produce this event and accept my most sincere personal thanks for your efforts.

Sincerely,

Dork
