IN THE BOWL

We should arrive about 10:30. We will start with a brief orientation followed by a group picture.

It is very important to keep the field clear for both viewing and competitive play. For that reason, we must stay behind the flag lines in front of the tents on the Eastern edge of the field. We will move in closer behind the judges for freestyle.

No people can be on the field area unless they are press (with badges), WFC staff or competitors in uniform with field buttons, or on the Ultimate or Guts teams. Mothers, friends, etc. must sit in the stands. Hey, it's not a bad deal. Those seats cost \$100 each in January. Please help us with this and we'll have a great time. Have fun!

ULTIMATE

As of 10:00 pm Saturday night, the All-star Ultimate team which is to play the Santa Barbara Condors in the Bowl today has not yet been officially selected. You'll find out by 2:00 o'clock this afternoon who those "greats" will be.

FLAP JACK GUTS

The finals of the Flapjack Guts tournament were held Saturday night at Don Vito's. Results are not yet in but will be published in the Monday WFC Review. This means that the World Putting Championship final will be the only scheduled event at tonight's party.

SUNDAY NIGHT PARTY

Tonight's party after the Rose Bowl will take place at Don Vito's, starting around 7:30 pm. A meal will cost \$3.75 or \$5.50 with a pitcher of beer. Remember that your meal ticket still gets you one free beer.

KEY RETURN

Key return will take place on Monday morning. People returning their room keys will receive \$5 in cash. See you at Lago, Room #104 (Jeri Horn) Monday morning. If you do not intend to return to the dorms after the Bowl, please make arrangements for friend to turn in your key.

RESULT ERRORS

Obviously we have made an inhuman effort to post the correct results. However, if there has been a mistake in your point assignment, it is your responsibility to see Alan, Dan or Jo BEFORE noon. Checks for winners will be distributed AT THE BOWL. We don't want any errors so please re-check your point assignments and do tell us if you feel there has been an error. Once the checks have been awarded, the results are final.

FRISBEE DISC COMPETITION ON TV

The Volcanic Open, Seattle's 1980 NAFDS event, will be shown in a one-hour program on ESPN, the nationwide sports cable TV network. The three times it will be shown are as follows:

Sept. 6 at 12:00 pm

Sept. 27 at 6:00 am

Sept. 30 at 8:00 pm

If you don't have cable TV, find someone who does. Being a Volcanic Open, it should be hot!

DAILY DONUTS

As Gerry Geare was getting ready for the DDC finals Saturday morning, he asked for nail clippers. He said "I better get these off before Charley does."

Tom Monroe asked Youngman about Guts All Star team selection. Joseph explained: "Stork wants to make sure everyone has a fair chance. So I picked 5". This really was not the case but the donut was made.

FOUND

Jens Velasquez did find his gym bag with all its contents in Don Cain's room. Don four times denied that he had it because he thought it was his roommate's. His roommate thought it was Don's. Case closed.

LAGUNA BEACH PARTY ?

Doug Drawbond is hoping that a number of WFC competitors will get together informally for a day at Laguna Beach on Monday. Meet at the Green in the main part of town around noon. Doug recommends shark steaks, which can be bought locally. Jim Challas says he will lead the body surfing contingent.

RESULTS OF THE "BEST EVER DISC GOLF" TOURNAMENT

Eric Marx and Jerry Garrett beat George Morris and Dave Dunipace on the third play-off hole after both teams had finished at 14 under. Tom Kennedy/Bruce Podgorski were third at 12 under. Fourth was a tie between Pete Fust/Tom Lander and Scott Moore/Ron Wheton who finished ten under. Sixth place went to the Australian team of Kim Holmes/Dave Wilson at 4 under. The top team won \$30 each.

Next year let's have a bigger turn-out.

MAXIMUM WALL ALOFT

A great new event was spontaneously started after lunch on Saturday outside the cafeteria as players tried to run up the stone wall and stay there as long as possible. A large gallery of 30 people watched and cheered as about 15 crazies did their best.

There were 3 heats in the open division, which was taken by Steve Jennings in a play-off with Stuart McFarland, who had tied in the final heat with a 2.58 second wall hang time. The current world record is held by the man who finished third, Hartmut Wahrmann, who in the semis stayed up for 2.95 seconds. Next year we expect new techniques will be developed to break the 3-second barrier. One last note - Peter Norvig, whom the WFC Review staff thanks with a specially hotstamped WFC tournament disc for helping with overall stats Friday night, has been barred from this event for one year for numerous illegal climbs.

GUTS TEAM SELECTION

The current world Guts Champions, the Foothill team of Bonopane, Duvall, McLean, Kalb and Weyand will face an all-star squad consisting of Youngman, O'Malley, Rottmann, Zimmerman, Selinske and Schott, a team which was picked by the would-be qualifiers after a practice Saturday evening. This game will be played in the Bowl today.
