THE AMF VOIT ULTIMATE - DISC GOLF CLASSIC 1982

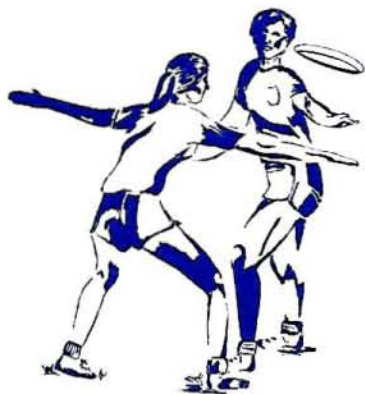

- * Ultimate
- * Disc Golf
- * World Champion Athletes
- * The Stanford Ultimate Team at its best

SUNDAY, NOVEMBER 14

You've seen it on Wide World Of Sports! You've read about it in Sports Illustrated! Now see it yourself! Ultimate: a fast-paced game of 7-player teams with action similar to football, basketball, and soccer. Players score points by passing the disc to a teammate in the end zone, and some of the passes and catches are incredible! (Great photo possibilities!)

And Disc Golf, the hottest new sport-game on campus! Players follow an 18 "hole" course in which the disc is thrown at targets, with each throw counting as a stroke. Prizes will be awarded to winners in both open and coed divisions. All activity takes place NEXT TO STANFORD STADIUM.

The media is invited and spectators welcome. World Champions and World Record Holders available for interview -- how would you like to see a spinning object hurled 286 YARDS? It's all in the Guinness Book of World Records and at Stanford University!
