

# 1981 AUSTRALIAN

## March 6,7,8 & 9 Flinders Park

Congratulations, Mark. (\*clap,clap,clap\*) Our original 1978 Australian Champion did it again and survived a Kiwi onslaught to take out the Open Overall. (What he was doing out with the open overall no one will ever know). Mark has done well and has come back from old age and redundancy to take the highest Frisbee disc title in Oz.

The Kiwis had struggled hard (often with themselves) in the open but after many disc protests had to be happy with third and fourth spots... Mike and Bob, well done!

In the women's they did a little better and nabbed second spot, with Gail Lynch surviving lung problems (transplant needed), to take out her second successive title. (borrrrrrrrrrrrrrrrrrrring)

Juniors had a torrid time and the Kiwi-contingent managed the big one-two. Watch out Open, next year!! (more bloody Kiwis!\*"%@£&!)

All results are enclosed and I hope that you find your results pleasing. (I bet Zig and Zag don't). Thanks must go out to the interstate and overseas competitors. This was the best tournament ever, with people getting to know each other. (Ask Sue about Stuart). The national flavour of this event is truly unique. (I like strawberry better)!

Of course there were some hassels, but this was to be expected and it is also to be expected that next year's tournament will be at least three if not four days. Be prepared, save those holidays (and money)! This is THE Australian Championships. It is also your event so if you have any ideas or thoughts on the event, let us know. We will be pleased to hear from you, and no request will be overlooked.

Well, until next year's AFC '82, Happy flights.....

(If anyone out there can help, Michael Pace needs some back attention: Maybe for his front, too!)
