February 1989

Dr Rick Burns Up Ice Bowl

Even after taking a 6 for missing a hole early in play, Dr Rick came back from rescuing the 6-yr-old who ate a plastic spoon, and shot seven deuces to finish out the Kereiakes round at -8. At flooded Griffin Park, he lost his lucky aviar in the water on hole #3, but came back with another set of straight deuces to finish out the round at -13, winning the 1989 Ice Bowl by 3 strokes.

Bob Vanderboss and Brad Childers shot hot 44's at Kereiakes, but Bob edged out Brad by a stroke at Griffin to take second.

Ken Folger mastered the Masters Division, with a score worthy of Open Div (-17!). Ron Lafferty collected the trophy in Advanced Div, while Tracy Rossi won Amateurs.

Al Schack aced #5 at Griffin to take the $62 ace pool. Strohs came back with a strong 43 at Griffin including a string of 8 deuces, but finished one stroke out of the money.

February Tournament

Saturday, Feb 25th at Hobson, starting at 10:30 am, there will be two rounds of golf, all divisions. Entry fees: Pros $6, Advanced and Amateurs $3.

There will be a break for lunch after the first round. Plan to stick around for random draw doubles after the tournament.

B G Open Set for April 1-2

The BG Open has attracted over 100 pros for the last 2 years, and promises to be even bigger this year. We have put an ad in the Disc Golf World News winter edition, and we will send out flyers to the active pros in the Smokey Mountain and surrounding regions.

We hope to have the tee pads at Kereiakes completed by the tournament. The contours have been dug out, so if you have some spare time, come out and help dig out the rest of the tees. If you have any long 2x4's, let Dr Rick know, so we can use them for the forms. The Parks Dept has budgeted for a load of concrete to pour them.
