Hobson Tournament Dominated by Otter Creek Club

Rick Feiler took an early lead and kept the pressure on all the way, with an outstanding cold-weather score of 12-under-par at Hobson in the February Tournament. Dr Rick and Mark Stottlemyer matched scores at 9-under, but Dr Rick took the play-off on hole #1.

In the Masters, there was a tight race between Bob Elliott and Wendell Yokley, with Bob taking it by a single stroke at the wire, as Wendell bogied the last hole.

Another Otter Creek player, Kenny Harris, led the Advanced Division all the way, making it a clean sweep in all divisions for the Otter Creek Club.

In team play, the boys from BG Disc barely managed to save face by beating Otter Creek by one stroke. Great play by the amateur team who finished at 12-under after 18 holes, only one stroke back from the pros (with help from Sylvia).
