NEWS FROM DR RICK

The World Championship of Disc Golf will be held September 7-11, in Cincinnati. Get there if you can!! The weekend prior to the Worlds, is the Ohio State Championship in Dayton, which promises to be one of the biggest events of the new season!! Bill Burns, of Memphis, has been elected the new Commissioner of the PDGA.

Plans for the new nine-hole disc golf course at Griffin Park have been submitted to Judge Griffin for approval, and we hope to have the course installed sometime this Fall. The course is geared toward the beginner, with short but scenic fairways. Lots of variety, including uphill and downhill shots, over water, open grassy fairways and three holes in the woods. The holes range in length from 120-180 feet. The targets will be DGA Mach 3, so a great place for the more advanced players to practice putting and up shots.

The Days Inn will be an official sponsor of the Halloween V tournament and is adding $5 to the purse for every room rented by a disc golfer. Also rooms will be offered at a reduced rate and will include a free breakfast.

Steve Newton has designed a revised logo for BG Disc, that will be made into a dynamite red-white-and-blue mini available only to club members and competitors in the Halloween V tournament. It is sure to become a collector's item!!
