Odds and ends

***A note about the Advanced division:** If you win Amateur at a monthly tournament, you will automatically be bumped to Advanced status and RADL will pay for your PDGA membership as an Advanced player. This means two things: the Advanced division will grow rapidly, and there will be a new Amateur champ every month!

*Pick up doubles is being played at Kentwood every Thursday. Starting time is 6:30; call Jim Markov (839-1241) for more info. Top score so far is 17 under; come see if you can beat it.
