THE NEWSLETTER FOR RALEIGH AREA DISC GOLFERS

The July 25th Pig Pickin' (this coming Saturday!)

The November '86 Pig Pickin' was such an enjoyable gathering that we are having a similar fun time again. The happening will be on Saturday between 12 noon and 6 pm. This time around the event will be at Doug Huegel's place which is Rt. 7 Box 174, Raleigh. Go out Six Forks Road past Strickland Road. Three miles past Strickland Road will be the Bayleaf Volunteer Fire Department on the left. Two houses past the fire department on the right will be Doug's place. Call Carlton Howard (872-7897) to reserve a spot or to ask any questions.

The One Disc Tournament

The format had been discussed in Raleigh since the "beginning of time." Ever since Kentwood was installed as an object course in Raleigh, a tournament where each participant could only use one disc was championed. It took three years for us to finally adopt the format for one of our local tourneys. Thanks, Wil White, it was fun. Did you guys who played in it notice the "beating" the one disc took?! Two players finished with identical scores after the two rounds: Larry Leonard and Mike Tomczyk, two of the newest pros in Raleigh. Mike won the playoff and is the official winner of the One Disc event in May.

Here's a special event to be put on your calendar for August 8th, 1987. Starting at 12 noon a teaching and learning event will occur at Kentwood. Need New Newsletter Editor

As advertised in the last issue of the newsletter, the end of August will be "pass-the-baton" time for me. Someone in the Raleigh area has the opportunity to help the club and the sport of disc golf in this area by carrying on the vital task of keeping communication going. The new editor will need some help too.

Regards, Steve Braun, Joe Woodruff, Jim Merkov. 7/15/87
