INTERESTING PUTTS

-Did you forget your cup???

-**RADL gave away over 650 discs in 1993!!!** Did you get any? It's easy to get yours....All you've gotta do is play golf!!!!!! We've already given away 420 discs during 1994! (Not counting doubles!)

-The June Buggin' Open was a big **success!** Sixty-three golfers teed it up a Cedar Hills. Jim "the Toy Cannon" Markov simply exploded in the second round, blowing away a fast recovering Larry Leonard and a dragging CHH. Jim shot a **red-hot 13** under in his last round! Jim Hopkins, putting as if his life depended on it, shot a hot 10 under to tie CHH for third, two strokes behind Larry. Dan Lambeth Jr. won the Junior division. In the ladies division, Michelle Aurilio came off of the disabled list to storm the field with a 15 stroke victory! Becky Myers took second with total of 143. David Brittle causually won the Advanced division with rounds of 6 and 7 under. Dave Hoover was second at 95, Dan Lambeth and Greg Maday tied for third at 8 under. In the Jamateur division it was Danny McFadden all the way, as he led from start to finish. George Martin took second at 2 under. Jeff Anderson, John Poucher, and Randy Smith tied for third at one under par 107. Chris Hysell dove into the **ace pool** and collected \$54.00!

-RADL Random Doubles. That's Tuesdays at Cheddar and Thursdays at Kentrock. Tee time is 6:00 PM so get there at 5:45! It's only a dollar to enter and the **fun** is free! So far we have had 111 different folks playing at Cedar Hills. In the points race Kirk Yoo is leading the Pro division with 313 points. CHH is second with 239. Larry Leonard, coming back strong, is in third place at 166. Barry Millward holds down fourth at 125. Greg Maday leads all advanced golfers with a 228 total, 21 points ahead of Dary Bryant. Alan Roberts is third with 202 points followed by Dan Lambeth at 201. Brian Mcrec, Dave Hoover, and David Brittle are tied at 197. Randy Smith leads the Amateur golfers with a total of 243 (which is second overall). Jimmy Dzengeleski is second at 208. Jim Costen and Ross Cahn are tied for third at 168. Todd Costen is fifth at 163. Yolanda Hall leads the ladies with a total of 83. Ann Adams is second at 63. Tonya Jasmin is third at 38. Over 68 discs have been given out. Did you get yours? Kentwood is averaging over 40 golfers per week! So far, after eight weeks we have had 110 different golfers playing at

Kentwood. Jim Markov leads the pros with a total of 225. Jim Hopkins is second at 153, Barry Millward is third at 129 one stroke better than Ken Nowell. Kirk Yoo is fifth at 73. Lee Squires leads the advanced golfers with a total of 180. Brian McRee, at 157, leads Alan Roberts by 2. Jay Sullivan is fourth at 143, 9 shots over Jon Hardee's 134. George Martin leads the Amateurs with a 173 total. Dan Elwell is second at 151. Bryan Lemon is third at 149, followed by Shannon Nealy and Boe Grooms at 139 and 137 respectively. Over 52 discs have been given out. Did you get yours?

-1994 North Carolina **Champions** Series. Dave Hesselberth (60), Brad Hammock (60), Stan McDaniel (59), CHH (49), and Jim Akins (46) are the top five point leaders in the open division after the first two legs of the series. Walter Haney (118), Michael Warner (116), Dave Hoover (111), Todd Markov (108) and Chris Hysell (104) are the fab five in the advanced division. In the other advanced division (i.e. masters) it is Steve Lambert (17), Perry Hardison (16), Danny Haynes (15), Lewis Graninger (14) and Vick Locke (13). Susan Whittington (6) and Yolanda Hall (2) comprise the ladies division..

-Speaking of point totals. The RADL 1994 Points standings are out! The way it works is each golfer gets a point for entering a RADL monthly and then additional points for every golfer they beat! There will be **COOL** prizes in each division at year end. Get psyched! After five events (Ice Bowl, Joe Who, the April Monthly, Hawk's Maypole Jam and the June Buggin' Open): Dave Hoover leads all golfers with 317 points. Chris Hysell is second (in the Advanced Division) with a total of 312. Alan Roberts is third at 311. Will Lewis leads the Pro division with a total of 311. Barry Millward is in second at 303. Walter Haney, at 285, is third. The Amateur leader is George Martin with 213 points. Richard Smith is second at 197 followed by Richard Benton at 172. In the Ladies Division Yolanda Hall leads with a 55 total. Ann Adams and Michelle Aurilio share third with a total of 29. The key to this stuff is showing up at all the monthlies!

-Speaking of monthlies...don't miss Barry and Jon's Third Annual Birthday Bash. It's sure to be a wonderful event. Kentwood Country Club is the site. Saturday July 30th! Help Barry and Jon **celebrate** their birthday. Deuce it up!

-Double Disc Court, distance and MTA are all **happening** every Monday starting at 6:00 PM!!! It's all going down at the WRAL soccer center

on Perry Creek Road (Turn right on Perry Creek off Capital Blvd, North of Raleigh at the Kerr Drugs Warehouse. The soccer fields are approximately 1 mile ahead on the left.) DDC is the best game going. Come check it out and work on your disc golf skills as well!

-Tips From The Pro Are you in balance when you throw and putt? I know it sounds silly, but a lot of golfers are almost falling down when they release their drives. In disc golf, as in all sports, one must be in control of one's body at the moment the action occurs. In golf this is at the point of release. To throw (and putt) successfully, one should have their weight centered over their supporting point(s). This will produce a stable base...which will allow you to throw further and with more control. Have a friend watch you throw. Ask them if you look like you're "under control". Think of a batter in baseball who is really fooled by a good pitch. Notice how anemic and powerless those "falling down" swings look. Make certain that your golf form includes balance. It's really important.

Remember, everyone is still improving, that is why observation (of other golfers) and practice are so important. See you on the soccer fields.
