NEW OFFICER NOMINATIONS  
AT THE NEXT MEETING

Be sure to mark the next meeting date on your calendar and plan to attend. Monday September 11 at 8:00 P.M. will be the nominations for the officers for the upcoming year. The meeting will be held at Schuster's Inn, 2212 Langdon Farm Road, which is very close to the Cincinnati Gardens. You must be present to have your voice heard and to vote in the elections at the following meeting. The club needs every individual who is willing to make a contribution to continue to be the voice of Cincinnati Disc Golfers, providing new and maintaining old courses in the area, and hosting local and professional tournaments.

The election meeting will be held on Wednesday October 4. The meeting place will be announced as soon as it is finalized. Expect putting games and plenty of refreshments at this meeting. Contact any GCFDA officer for details.

GCFDA FALL LEAGUES

Plan to join the best league organization in the midwest by playing in the fall league. A large turnout is expected with A and B flights. Sign up and pay the modest \$9 entry fee by Sunday August 20 at Boone Woods at 11:00 A.M. Partners will be chosen according to skill level as usual. Trophies will be given to the first, second, and third place teams, best averages in both flights, and prizes for aces and the best women's average in B flight. Join your friends for some good friendly competition.

## FAREWELL TO BANKLICK TOURNAMENT

A large field of 52 players were present to say goodbye to our old friend Banklick Woods Disc Golf Course. Beer and pop were included with entry fees and hot dogs deluxe were available from the grill. Seven extra holes were added for the occasion and two rounds of 24 holes were played. Thanks to the tournament directors Doug Aulick, Bob McMillin, and Doug Cepluch of Disc World, and all of those who helped make this a premier amateur event.

**NEWS IN THE AIR . . .**

Volunteers are needed to help show off the great sport of disc golf. The club has been asked to give demonstrations around town, and believe me, it is one heck of a lot of fun. Contact Kerry Keith for further information.

The PDGA points qualifier EDGEWOOD ELECTRIC OPEN was held June 3 and 4 and was deemed a great success by everyone taking part. The course layout was impressive and challenging, there was a very nice player's package, and the tournament was run very smoothly. Thanks to Edgewood Electric and Mark Goetz and everyone who helped with this major undertaking.

Boone Woods Disc Golf course has been torn up pretty badly by the work crews. Please pardon the inconvenience. The club is contacting the park commissioners to make sure that all will be well.

A personal lifetime record was set at Woodland Mound by Kerry Keith in practice with a 16 under. This round included not one but two aces! Congratulations and our local players are making inroads into the money places in PDGA tournaments with this kind of performance.

The GCFDA is showing its support for other Disc Golf clubs in the midwest by joining other clubs. So far, we have joined the Indy Disc Golf Club and the Bowling Green club. Any suggestions for other clubs to join will be welcome.

The club has purchased a number of slick looking pamphlets made up by Dr. Rick Voakes. They are available to members who are engaged in promotion and funding solicitation for the club. They are very well done and promote the sport with a professional image.
