

THE POSTAL FLYING DISC CATALOGUE II

Dear Folks,

This is it, Postal Flying Disc Catalogue II. Those of you who received Catalogue I will note several changes. First, this is not an auction; it is "first come first served." It will not be necessary to return this catalogue with your order. An order form is provided on the last page. There is a flat shipping charge of \$2.00 per order, regardless of size. Discs are shipped Parcel Post Insured. If you are unsure about my cryptic notation or have any questions phone me at (415) 841-6294. However, no phone orders or "reservations" will be accepted. The offerings in this list remain ineffect until the appearance of Catalogue III, circa April 1976. For those not satisfied by the four hundred odd items listed here do not despair.
