POSTAL FLYING DISC CATALOGUE II SUPPLEMENT

Dear Ladies and Gentlemen,

Thank you for the good response to P.F.D.C. II. The discs listed herein are offered on the same basis as those in Catalogue II. Grading and notation are also unchanged. You may order from either or both catalogues at the same time; however please do not order discs from two catalogues on the same sheet (a plain sheet of paper may be used in place of an order form). When ordering from both lists please include \$3.00 for shipping.

Page A is a supplement to Catalogue II. To avoid confusion Series Z offerings begin with number 501. Below appear the item numbers from Catalogue II which have been sold. Trades for throwing stock and historical items will be considered.
