

POSTAL FLYING DISC CATALOGUE VII

Disc Dharma  
Winter 1978-79

With the publication of this list all previous catalogues are now void. Notation and grading systems remain unchanged but appear below for your convenience. There is a change in the shipping charge; on orders of less than fifty dollars there is a charge of \$3.50. Orders with an actual shipped value of over fifty dollars are sent prepaid. A list of alternate selections is recommended. Trade offers are invited, areas of most interest are historical items and unusual foreign discs.

Notation, grading and shipping remain unchanged. In response an increased interest in paper a section of this material may be found at the end of the supplement. The shipping charge on paper only orders is one dollar. An interesting model in the supplement is the Sideline Saucer by Pro Sports. These discs are knock-offs of Wham-o 165's and are made in Concord California. The ones offered below are a variety of test run colours produced in early 1979.

Smooth flights,
