DGA

We are seeing very good turn out's for the DGA qualifying tourneys and those points are rolling in! As of the first of June approxiamately 20 men have qualified for the World Championship. No word as yet on womens standings.
IMPORTANT! TOURNAMENT DIRECTORS ! Please send in your tournament results ASAP to Ted Smethers, so everyone gets the points they work so hard for!

Tournament Results:

Free Flight: Top man was John Sias. It was rough going in the mud slides, but it takes more than mere downpours to stop Disc Golfers.

Brahan Springs: Winner here was Tom Monroe, with Lavone Wolfe 2nd, and Jim Wiseman 3rd. Congratulations to Phil Cantrell and Tim Daniels for their ACES! Well deserved since these two men have devoted a lot of time to cleaning up the course in preparation for the World Championships.

Cedars of Lebanon: This was a fun tourney, even if our tents did get rained on Fri. nite. Joe Duncan was HOT! He not only placed 1st, he set the course record with an amazing 11 under for a 43. There were 3 aces over this weekend, one by Hooks Magoo and the other 2 by players from the Louisville Club.

WORLD DISC GOLF CHAMPIONSHIP

This tourney got off to a start Thurs. nite at a players meeting at the Sheraton; one subject Ed Headrick discussed is a new proposal for the PDGA format. A newsletter is in the works to update PDGA members. Ted Smethers tour coordinator spoke of his plans for next years WDGC, contact your local pro or Tom Monroe for info, and start earning those points for next year! Tee assignments were made, and Fri, morning the men converged upon 3 18 hole courses in a rotatio schedule for the first three rounds of play. Fri. morning the women held a players meeting to share ideas concerning the growth of womens divisions in disc golf. There were 21 women players in this tournament, a very good turn-out-something to be proud of! There were 150 total players in three days of exciting tournament play. After 2 rounds Fri., and 1 round Sat. morning, the top 72 men gathered at Redstone Arsenal where tournament director Tom Monroe shot an amazing roun of 16 under, with an ace on hole #2. His score of 38 put him in the lead until the completion of the 5th round, in which the top 36 players competed in this semi-final round at Brahan Springs falling bark park, on Sunday morning. Jeff Watson moved into 1st, and stayed there where he finis Sunday afternoon the top four men played on the UAH Championship course, Jeff Watson, Tom Monroe, Lew Satterfield, and Tom Krajna played a crowd-pleasing round, with spectators & camera crews watching their every move. The results were breadcast nationally on CNN, ESPN, SNN, & NBC. Local stations provided excellant coverage.

The womens division was just as hot, with the lead changing hands several times, and only 1 strok difference between the leaders made some very exciting moments.

Nite time activities included a fly market Fri. nite with some hot & heavy trading & hackey sack play. Sat. nite there was a dinner party at Alabama's Space & Rocket museum, with players having the museum all to themselves. Outside players were seen enjoying the Zero Gravity machine, many were seen staggering from the Lunar Odyssey where they experienced the G-forces of space travel (while throwing mini's , right Lavonne & Ed?)

This was a very exciting and fun tournament, and the most important factor in this type of tourne is the support of disc players everywhere, so if you did not participate this year, now is the time to get involved for next year.

We would also like to congradulate the winner of the consolation round Sat. afternoon, Bob Harris all the way from Canada.

ULTIMATE

Our sectionals will be held in Tuscaloosa, Oct. 22/23. The Regionals will be around the 13/14 of Nov. in Austin, and the finals will be in New Orleans Thanksgiving weekend.

STORK

Stork wins in San Diego! Dan Roddick (Stork) won the overall title in the Masters World Championship. The competition was tight and it all came down to his last MTA. In championship form he milked it down for a time right under 10 seconds, and pulled it off. Congratulations Stork.

PDGA

The PDGA tour for next year is almost complete. New courses that will be included in the South so far are Knoxville, TN., and Florence, AL. Gainesville, FL. is also a hopeful area.

DGA

In an attempt to regain some of the sales lost to the new Aero (EAGLE) Ed Headrick has come out with the Sureshot and the Fader--retooled Kittyhawks. The word is, Headrick turned down the Eagle design last year. Could be his biggest mistake since he turned over Pole Hole sales to Miracle Recreation.

FRISBEE SOUTH MOVES SOUTH

Tom and Denise Monroe will be moving to Gainesville, Florida. The move should be complete by Thanksgiving. Denise will be working at Shands Hospital at the University of Florida; and Tom is in the process of starting a Frisbee program at the University, while searching for a site for a Golf Course. The Circular and mail orders will still be available. Lavone Wolfe and the Rocket City Chain Gang will be taking over the Disc Golf Scene in Huntsville, and we wish the club a successful future.
Joe Duncan will be taking over as Frisbee instructor at the University of Alabama in Huntsville.

Subscriptions to the Circular are $4 a year. Send cash, Check, or money order to Tom Monroe, 5621 N.W. 27th. St., Gainesville Fl., 32606. If there is a check in this box ☐ you owe for another year.

Dec.83

Ultimate Nationals- Ist. Place goes to John Connelly and the Windy City Ultimate team. 2nd. was Spinoff (San Dieago). Third went to Dallas and the Condors. The Fisheads from Mi. State took top honors for the women.

World Disc Golf Site Announced- Ted Smethers' little old Grandma reached up into the hat and pulled Jim Palmeri's name. The tourney is slated for July 27/28/29 in Rochester N.Y. Jim has been hosting the American Flying Disc Open for about I0 years now. That is the oldest golf tourney.

Since the separation of the P.D.G.A. and the D.G.A. attempts are being made to raise operating capital. Along with the $I.00 surcharge per player per tournament, a Finicial V.P. has been appointed from the steering committee. As the new V.P., Lavone Wolfe has been in touch with the golf disc mfg.s and has requested finiancial support in exchange for the P.D.G.A. stamp of approval. So far the big hurdle has been the diameter rule and the weight rule. Since the diameter rule never was an issue, it has been ommitted from the rulebook.

Revised dates for P.D.G.A. points tourneys; May 5/6 U.A.H.-Huntsville, MAY 26/27 Redstone Arsenal- H'ville, June 2/3 Cedars of Lebbannon- Tn., June 23/24 - Brahan Springs - H'ville. Look for 3-6 tourneys in Florida to be announced soon.

If you missed Thats Incrediable on the I4th., you didn'tmiss much. The coverage showed some freestyle and ,as always, some K-9. No mention of the four other events or the $30,000 prize money. Maybe next time. —Huntsville regroups after Frisbee Pro Tom Monroe moves to Gainesville. The Rocket City Chain Gang has elected new officers, Paul Galloway-Pres, (Mr. Sipa Sipa) has vowed to continue the great tradition of flying-disc activity in the Tennessee Valley.

Rockledge Turkey Tournament.. Turkey weekend saw a Pro/Am on Sat., and a Team Tourney on Sunday. Steve Slasor jumped out in front for a first round lead while the other Pros tried to catch up. 2nd. was John David then came a tie between newcomer Monroe an Tim Willis. In the light plastic team tourney, players were issued II9g.'s and the teams played the best drive only then individual scores to the pin. Results: Hart/Thompson, Slasor/Edney, David/Williams, Monroe/Monroe.
