MARCH 1988

Florida's 1st Triple Crown is history. Over 50 Pros showed up from more than a dozen states. Six World Champions were among the varied group of golfers. Over 240 players total produced healthy Amateur and Experts divisions. Johnny Sias demonstrated his tight course skills by winning the tricky course at the University of Central Florida. David Greenwell won the windy rounds at Turkey Lake. Steve Slasor was 2nd to both after the 1st weekend but fell victim to the flu and could not compete during the 2nd weekend. This turn of events put Greenwell well out in front for the overall title. For the conclusion, it was David Greenwell in 1st; Jim Akins 2nd; Tom Monroe 3rd; John Andrews 4th; & Craig Gangloff 5th. Thanks to Alan Ross, Steve Slasor, and Chris Barley for a good job on the 1st Annual Florida Triple Crown. Start planning to attend next year! $3300 in prize money was awarded to players.

SCHEDULE CHANGES: Alabama State change to June 25/26 in Huntsville

DON'T Miss the Raleigh Crosstown Classic. Call Dave Hesselberth (919)851-2147 at nite. March 26/27. $2000 approximate total purse. Two courses in play.

MOBILE DISC GOLF: Sunday April 10. Call Terry Rester (205) 452-8496, 8 til 3. Chickasabogue Park.

CIRCULAR HOT TIP: As we all know, John David of IFO- Atlanta- sells the best disc golf bag. Trouble is, he cannot keep up with the demand. He has just come out with a larger version which will hold a rainsuit and lots of discs. An alternative to THE bag comes from Sears- called the Cold Pac, it is located with the other coolers in camping supplies.

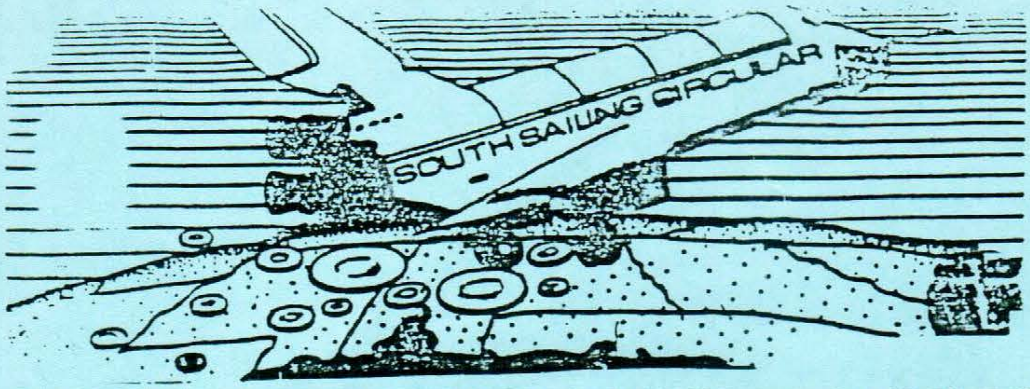

GOODBYE to the Aero. That's right, the original sharp edged disc is history. So is the original XD, Aviar, and Ace. All have more rounded edges, much like the current crop of G.M. cars. Was that a Buick or an Olds? If you liked the originals, better stock up!

THE PDGA needs someone to replace Al Ballew. He is in charge of elections and has done a fine job for the last few years. This is a very important position, Chairman of Elections. Contact this office with your suggestions ASAP.

FOR SALE: White Shuttle Puppy- 172gms. Brand new- $20.

CONGRATS to John Lewis and wife Betsy on their new arrival- Andrew John on Feb. 16th! Also to Joe Feidt, father of new twins, Alexandra Jean & John Glynn!!!

1988 U.S. OPEN FOLF TOURNAMENT. The only money making private disc golf course in the country. $3000 purse- Open and Masters divisions only. One round per day, June 2, 3, 4, & 5th. Write Swope Park Folf Course, 6929 Elmwood Ave., Kansas City, MO 64132. (816) 444-2800.

Krajna had to drop out and settle for 5th place, and there were 4 in the playoff. The players were old guard Monroe, Slasor, Andrews; and the Rookie,Kid Kenny Climo. Andrews fell by the wayside with a bogey on the mando #3. Slaz, Monroe, and Climo were tight after 6. On the long turnover #7 the crowd went wild as Monroe missed the Ace by inches. After 8, the three were tied. On the tee shot at #9 Monroe and Slasor went wide left and right. The kid went straight up the middle. THREE RIVERS OPEN- T.D. Bruce Cunningham reports from that gala event. Wisecup rolls over Greenwell. Steve Rehrer wins Masters.

JAX, FL-After a torrential rain, T.D. John Lewis moved the tourney to Gainesville for 36 holes. Too bad, he had designed a beautiful 9 hole course. Monroe, Steve Johnson, John Linton were top Pros. Howard Gurthie, Jeff Wright, Rich Stine in the Advanced; and Ray Allen, Tim Martin, Ollie Watt led the Am's.
LAUREL SPRINGS, N.C. - Bill Boylen T.D. does another fine job. If you haven't gone-you owe it to yourself to play this awesome course in the Smokey Mountains. Greenwell edges out Sias in the final,
MID-AMERICA-COLUMBUS, MO- Exciting 5 hole playoff is won by Clint McCleenan over John Heaton, followed by Greenwell, & Hosfeld. Vanessa wins Womens, Voakes- Masters.
FRASER, COLORADO-The Rocky Mtn. Festival of the Flying Disc was the biggest & richest in its 10 year history. Steve Gregory pushed the right buttons to bring in some top disc golfers. The disc boys actually beat the ball golfers on their own course! 200 yard rollers on the smooth greens and big boomer tee shots helped tame the 7,314 ft Pole Creek Golf Course. Team Horizons won by 20 strokes or throws. Low scores from Harvey Brandt & Jeff O'Brian of 6 under par for the front nine. In regular PDGA play it was T.J. Lawrence over Mike Hughes & Jeff O'Brian in the finals. Another must do event.

OCTOBER 1988

WORLD CHAMPIONSHIP PDGA 1988: Cincinnati was a happenin' place. They provided a little bit of everything for everybody. There was darkness to play in; lots of chiggers; many lost discs due to nasty rough and water; 75 T-Shirts for 300 players; lots of five-somes; etc. They did a very good job of seeding the pools- all 4 of them. Play was on 2 courses twice; cut; play a new course; cut to the finals in all divisions. Finals were held at the Vineyard, a beautiful 18 hole ball golf course. The back 9 was closed for the Disc Golf Championship. After the disc throwers roared around the course in 25 golf carts, the finals began. With long rolling hills, beautiful greens, boomer fairways, sandtraps, and water hazards, the disc golf finalists teed up on number one in decending order with high scores going first. The course was beautiful and the gallery was great. As the last round shuffled and snaked it's way around the streamlined terrain, Chris O'Cleary's distance made the difference in the Women's division, while Dr. Rick Voakes walked away with the Master's. His total score would have wiped out the Open division by 5 strokes. The battle for third Masters raged between Alan Beaver and "Cap'n Snap" Mike Conger. "Dr. Disc" Monroe had a firm grip grip on second. The Beav went ahead with a 50' putt on 17 while the Snap tied it up on 18. The play off went to Beaver across the water.

In the Open Division the top group of Ahart, Aman, Wolfe, Slasor, & McCormick treated the gallery to an awesome display of Disc Golf at it's finest. In the second group Sam Ferrans showed why he is the current world distance record holder. Slaz went into the final day 1 stroke off the lead. It was a heart-warming sight as Lavone Wolfe putted out for his last deuce on 18. A personal triumph for Huntsville's Hero which brought a roar from the crowd, soon to be followed by general bedlam as Ahart won the big Pole Hole and $3500.

NOVEMBER 1988

CLEARWATER- The ZIMBOBWAY winds were blowing off the gulf as the new back nine faced the rigors of tournament play. Only a small fraction of the players broke par the first day. Most scores improved on Sunday. Gainesville's Tom Monroe came out smoking the first day, followed close behind by C.R. Wiley. Monroe's lead was just enough to hold off the charge by Andrews in the playoff finale. Slasor was a force de major until he dumped two in the drink on the 505' number 16. When it was over it was Monroe by 2 over Andrews. The Clearwater boys have a very nice presentation package for attracting sponsors for new pole holes. Good luck guys! We tried an experiment with the Mach III conversion kits. We took the big ring off the bottom & let the chains hang loose. The players seemed to like it better that way! Results:

ORLANDO GRAND GOBBLER-This annual event saw some sunny windy conditions. Camping in the cabins and nite golf kept the fun going until the wee hours. T.D. Chris Barley and Dave South covered all the bases with the experienced gang of Florida golfers. The Slaz got off to an early lead and held off charges by Monroe, Climo, and Andrews for a fine finish. Grady Burch led the Advanced from start to finish & heard the "Pro Chant" with his trophy.
