FLORIDA STATE CHAMPIONSHIP-Rockledge Disc Golf Course: The new course and hurricane winds took their toll on over 60 golfers. On the second day Monroe charged to within 1 of Slasor and John David squeezed past the Masters for the win; Matt Tittle walked off with the Advanced win with quite a lead. A closest to pin contest won Johnny (Ace) Andrews a rubber boat w/ motor, donated by Pepsi. With two sets of tee pads, Rockledge measures 6,750' & 5,880. Both sets were played. Thanks to course owner Ed Aviles for all his hard work and determination to have a championship course.

CARLTON CAPTURES CROWN: After 3 tourneys over 2 weekends, Carlton Howard left Florida with the huge Triple Crown Trophy. Although Carlton did not actually win any of the individual events, he was in the money and had enough points to win overall. At the ROCKLEDGE tourney, big arm Dave McCormick was able to unleash his boomer Aviars for the win. The next day at the Tight Flights course in Orlando on the campus of U.C.F., Kenny Climo edged out John Andrews in a sudden life playoff. Many of the out of state golfers spent the week in central Florida seeing Shamu, Mickey, and Goofy. Many tried out the new 18 hole course in Orlando's Gordon Barnett park. The following weekend the tour moved to Clearwater for the 2 day finale'. During the playoff round, Climo and Slasor dunked their discs in the drink for extra stokes. Greenwell couldn't find his putter, but had just enough to win the event. In the Masters it was Casey Lake and Marshall Scribner jumping out in front of John David at Rockledge and playing it off for the crown at Clearwater. Roxanne Spencer jumped out in front of the other women and stayed there. In all the event was a success thanks to Chris Barley, Triple Crown promoter. Look for a different format next year and perhaps all in one city. RESULTS:

GAINESVILLE OPEN: History repeats itself, Jim Akins wins with Monroe 2nd by one stroke. In an exciting 9 hole finale for the top 3 Pros, Monroe came from behind to pass Andrews and tie Akins. The final hole was the deciding factor. After canning 40-50'putts Monroe left his birdie putt high and to the left to give Akins the win. Surprise performances by Karl Rehder and Bernie Hoffman in the advanced divisions, and Tim Martin & Ray Allen in the Amateur division highlighted the event. Glenn Dooner's ace on #13 was amazing, a straight sidearm through the bushes. The new course proved challenging to all players. Am's had separate tee offs on 5 holes the first day. Thanks to Alan Corbin's Pizza Inn for cold drinks during the tourney and a buffet party. Also, they donated an Innova Discatcher to the top Advanced player.

RICO-TOURNAMENT OF CHAMPIONS-This year the T.O.C. was open to Pro's only. T.D. John David had cut over 200 trees since last year, yes the course still played tight. Ken Climo set the course record in the first round with a blazing 44, wavered a bit with a pair of 52's, then passed Slaz in the final round with a 47. In the T.O.C. playoff the Friday before, Champions from previous years gathered; Gregg Hosfeld edged out Tom Monroe by one stroke. Akins was 3rd, and last years winner Carlton Howard could not make it. Vanessa Chambers had a 4 stroke lead over Chris O'Cleary going into the 3rd round-dropped back two, but picked them up in the final. In the Masters it was Monroe on Sat. and Beaver on Sun.

JUNE/JULY 1989

S.E. NATIONALS/Gainesville: 14 years ago this tournament was held in Florence, AL on the campus of U.N.A. (then FSU). Back then Disc Golf was one of several Frisbee events. Now golf is the only event. This year competition was tough at all levels. With a full field of players play began at 1:00pm Sat. and concluded by 4:30 Sun. after a 9-hole playoff. Climo, Slasor, and Monroe dominated the leader group with visits from Bert Spencer, Bob Lewis, and John Andrews. After 4 rounds of play Monroe had a 2 stroke lead on Slasor. The gallery golf took place on the back 9. Monroe, Slasor, and Climo teed off with about 60 spectators lining the fairways. Highlights of the playoff included a 420 foot drive by Monroe on #16, and a 200 foot putt by Slasor on #17. Monroe padded his lead by another stroke to win this prestigious event. The Advanced and Amateur divisions were also hotly contested. Lightning Discs provided prizes for Am's and Advanced along with Innova Pizza Inn minis for all. Results:

ROCKET CITY CLASSIC: T.D. Lavone Wolfe put together a fine weekend for the holiday golfers. The new U.A.H. course played tough in the wind on Sat. but Dr. Rick came out smoking with a -13 Sun. A.M. His lead established, he cruised through the playoff final 9 with Vanderboss, Akins, and Hosfeld. The special 9 was a combination of various holes around campus. The 4000 foot playoff saw only 3 birdies and more than one bogie. Highlight of the final was Akins shot on the #17 downhill boomer, he almost aced it. The Memorial Day Best Shot saw Gary Wolfe and Greg Hosfeld take the top spot. Results:

JAPAN: By now you know David Greenwell won $7000 for 1st place in the land of the rising sun. What you may not know is that John Ahart called a foot fault on Dave on the last playoff hole. Dave's shot hit a tree and he had to rethrow. An easy birdie and the win! That was a costly call for big John A.

U.S. OPEN: The World's Best Overall Tourney had a surprise winner this year. Rick LeBeau of San Diego beat Sam Ferrans by over 20 points. Ron Vingerelli took 3rd, Tom Krajna 4th, and Harvey Brandt, who also lived and trained around U.F., finished a strong 5th. Top women were 1)Amy Bekken,2)Amanda Carreiro,3)Chris O'Cleary.

ATLANTA: The Seniors World Overall is a carbon copy of the U.S. Open - only scaled down a bit for the over 35 set. Of course players like Stork, Danny McGuinnes, Mark Horn, and Harvey Brandt had just finished the Open as a warm up to Atlanta. Brandt, having just turned 35, swept the field with wins in Distance, Discathon, and Freestyle. Monroe cleaned house in Golf, and Merrill Detwiler won Accuracy. The hottest play came from Horn & McGuinnes in DDC, which they walked away with. Patti Kunkle cleaned up in the womens division, while Dr. 'Sunny' Cade won the Grandmasters & threatened to return to Masters with Palmeri. In the Sr. Grand Masters Pappa Jack Roddick made a great comeback to capture top honors.
If you missed this one, too bad - no shows included Beaver, Wolfe, and Conger. John and Patti put on a perfect event. Next year - Mnpls, MN.

LAUREL SPRINGS, N.C.: The biggest, badest, golf course in the World, located at the Boylan Tree Farm saw some hot golf by the top 20 for Sundays final round. Record rounds of 52 were carded by John Andrews & Dr. Rick. After mountain climbing for 2 days the final tally saw John 'The Giant Killer' Andrews at the top of the mountain watching Climo, Akins, and Dan Ginnelly play off for third; Hosfeld had 2nd. Akins took the playoff with an easy par while the other two went off the mountain. Beaver hiked through the hills for an easy win in the Masters, while Vanessa fought off Lyn Rothestein through hill and dale.

Wisecup wins in Corn Country. Strong play and quiet determination brought high awards for Steve Wisecup. Within hours of winning Player of the Year, he became winner of the Worlds. A fitting finish for a fine fellow. Last years champ John Ahart just couldn't quite catch him on the final day. The surprise of the week was Ken Climo in his WDGC debut. He was on top of the heap for the first few days. He and C.R. Willey won the Open Best Shot! In the Masters it was Pierson challenged by Monroe, and Wolfe challenging Beaver. Wolfe made the best charge of the week on the rolling greens only to loose it in a tree off the 17th tee. With the absence of Vanessa, O'Cleary had to contend with Amy Bekin and Elaine King. Al Ballew out putted Palmeri, and Paul Harris outthrew Steady Ed.

FLORIDA STATE CHAMPIONSHIP-ROCKLEDGE: The Pro Division featured quality, not quantity this year. With the likes of Akins, Climo, Andrews, and Slasor; it's hard for anyone else to break into the top group. Another passing from the Frisbee Family. The main mover & shaker from Seattle. Doug Newland was found on the rocks during a campout in the great N.W. woods. Apparently he slipped and went over the falls. This is a great loss. His involvement with Frisbee sports goes back to the mid 70's. Lets remember him by staying alive this year, please be careful as you travel.
