OCTOBER 1991

Reedy Creek Park Disc Golf Course is steadily becoming the hottest spot for Disc Golf activity in Charlotte history. I have not had to wait in line to tee from hole one yet; but with the growing number of new faces on the course, this welcome but unwelcome situation is fast approaching. Gone are the days in good old Latta Park when we were an unobtrusively small band of dedicated enthusiasts with the park to ourselves. I grin with excitement each time that I am reminded that a twelve year old dream is now a reality.

This reality has opened the door to several new volunteer projects. Course maintenance is the strongest need at this time. Take good care of <u>your</u> course and if you have time and ability, any efforts on your part will be appreciated. The Editor.

WHO'S HOT

Stan McDaniel has proved to be Charlotte's Disc Golfer of the year. His achievement list includes a repeat win in Charlotte, 24th at the Worlds, NC State runner-up, 15 stroke victory in Winthrop, SC, 3rd in Augusta, Ga, 2nd in Durham, NC, 4th at Kingsport, TN and 5th at Rico, GA. According to Stan, 1991 saw "The best of times and the worst of times". His "worst" items include losing a one stroke lead on the NC Championships final hole and failing to win cash in two events.

NC STATE CHAMPIONSHIPS

September 28-29, 1991

Glenn Henry of Virginia Beach, VA has achieved immortality with his name being permanently engraved on the prestigious NORTH CAROLINA STATE CHAMPIONS trophy. Steady play and a casual attitude enabled Glenn to cope with the pressure of playing on Raleigh's capricious Cedar Hills Park Disc Golf Course. The fine folks at RADL put on a great event and supplied perfect weather as usual.

After two rounds, Stan McDaniel was enjoying a three stroke lead over the field. A hot third round score of 11 under par enabled Glenn to catch Charlotte's "Disc Golfer of the Year". During the final round, a one stroke lead changed hands four times through hole seventeen. Stan had the lead going into the final hole but, his "Nightmare on Eighteenth Street" finally added up to a double bogy and runner-up status.
