New Brighton Readies Course For June 20th

By DJANGO SPINHARDT

All systems are go for the up-coming New Brighton Golf Tourney. It and all of the following MST events will be held on Saturdays. Tournament Director Merrick Brown, one of the most consistent golfers on the tour, is organizing what is sure to be a fun filled afternoon. There will be prizes for the Juniors, and the playing format will be back to each golfer for himself. All entrants will play an eighteen hole preliminary round with a nine hole final round. The New Brighton course features the ever dangerous third and fourth holes; the two regularly take a heavy toll on unsuspecting disc golfer's. Number four is a truly beautiful gem, bedecked with lovely lilacs

Tees Off

At Kenwood

By DJANGO SPINHARDT

In a break with tradition, this year's Kenwood Klassic was played under sunny skies and light breezes. Forty-five golfers paired off to play under an experimental format known as "Best Friz Twosomes". As expected, records (and nerves) were shattered. Last year's champ, Steve Hubbard, resplendent in baggy red socks, made it two in a row as he teamed up with Bob Klongerbo for a record twenty under par. It was Klongerbo's first victory at the Klassic. The team of Curt and Troy Abraham, sometimes known as the "Lake Elmo Connection", played almost flawlessly to gain second place. Minnesota Frisbee Asso. director Ken Kraemer shocked the large Men's Open field with a startling third place finish with the ringer from Wisconsin, Larry Schuster.

The Women's Open division was once again dominated by Bernice Klongerbo and Micki Coleman. Their strong, steady game was just good enough as they edged out a two stroke victory over hard-chargers Kathy Jedrzejek and Michelle Tibbetts. The mixed twosome of Laurie Abraham and John

CONT. OVER

The scene is set for today's second leg of the Minnesota Summer Tour. A sizable crowd is expected at the Bayport Frisbee Golf course for what may prove to be one of the more enjoyable tourneys in the MST. Tournament Director Phil Johnson, winner of the 1979 Kenwood Klassic, has noted that some of the antiquated cone baskets, prototypes of the now widely used Saucer Golf baskets, are in sad shape and should be replaced. This reporter thinks the City of Bayport should consider up-dating the nine hole course by installing the new and improved baskets. With or without new targets, the Barker's Alps area will challenge the golfing aficionado. It features the spectacular sixth tee with its majestic overlook of forest and lake, the latter of which has claimed many well-intentioned discs.

After the tourney, the stop watch will appear for a popular pas time known as MTA, or maximum time aloft. The young members of the St. Croix Frisbee Association are very strong in this event. Whether it be Golf, MTA or just playing catch with a Frisbee, today finds Bayport at the center of the spinning disc.

NEW BRIGHTON CONT.

in the spring. One of the favorites in the Men's Open this year will be a gentleman perhaps better known for his reputation as one of the best Guts players in the country: John Greig. This reporter has spotted him playing New Brighton on numerous occasions this spring. If anyone could play this course blind folded, it would be Greig. There is a movement afoot to make him wear lead wrist weights on his throwing hand.

Saturday, June 20th is shaping up to be quite a golfing afternoon. If anyone would like to play the New Brighton course, please feel free to. If you have any questions about the course or the tournament, please call Merrick Brown at 633-1487.

See you Saturday!

KENWOOD CONT.

Ballsrud surprized everyone but themselves as they breezed through the rugged Kenwood course with even par.

In the Men's Junior Division, Doug Thoeness over-powered the field with his long drives. He finished ten under par. World Champion Eric Abraham and Greg Ellstrom walked away with second with consistent play. Newcomers Graham Young and Tai Ibsen earned third place.

Renee Tibbetts was the champ in Junior Women's, out-distancing Heather Chantry, who took second. Their scores were mysteriously missing from the leader board. If you have any information, please contact the Frisbee Police.

Jason Brown, the New Brighton phenom, demolished the competition with a stunning three under par victory in the Kid's division. Duane Belisle took home second and Frank Armstrong was third.

Despite an unusual team boycott by the Mill City Flyers guts team of the Klassic, a good time was had by all, as is required of all golfers in the MST.

ANYONE HAVING ANY INFORMATION ON THE WHEREABOUTS OF EITHER 1) LYLE "DR J" JENSEN OR 2) MICHAEL "SHADE" HADENFELDT, PLEASE CONTACT THE MINNESOTA FRISBEE ASSOCIATION, BUREAU OF MISSING PERSONS. THANK YOU.
