Lightning disc Smashes World Distance Record by 64 feet!

On April 11, 1943... in Australia... P-38 Lightnings of the 8th Fighter Group scored their first victories over the Japanese.

44 years later

On April 11, 1987... in Australia... with a wind of 15 knots, an overcast sky and rain on the horizon, 22 year old Michael Canci threw a Lightning disc 612.98 feet breaking the previous World Distance Record by 64 feet!

LETTER FROM THE EDITOR

It might seem as if this issue follows rather closely on the tail of the last one--Ski season approacheth...

The PDGA World Championships in Toronto was pretty amazing. There was a strong contingent of players from our region present; Congratulations to Joe Mela for a 16th place finish, followed by a victory in the Canadian Open. Nice job, dude! The tournament was well run, and almost everyone had a fantastic time from start to finish, no matter how they finished. The four hole sudden life playoff between Toronto Home Boy Mike Sullivan and Floridian Greg Hosfeld was worth the price of admission by itself. Get those points and plan to attend the Worlds next year in Cincinatti--

There has been some griping about the lack of starting time listings in previous issues. I will try harder in the future to include them, but there is always the telephone if you have any questions.

The leaves are turning rad this year again- Get out there and play some disc; you can read this at night...WSW

Dear Jim,

Since many of your members participate in our events we would like to share our plans for next year. We are requesting PDGA dates for 6/12 and 10/1-2 for golf tournaments at Druid Hill in Baltimore. We are also trying to get 9/18 or 9/25 kept free of PDGA events so that we can host the second annual Red Tail Team Challenge. Three teams from your region - Sedgelly Cats, the Untouchables and the Mt. Kisco Flyers - participated in the event this year. After the success of this year's Red Tail we are hoping to have many more teams next year.

We would appreciate any advice you might have concerning the above -

Letter from the President: Jim Powers

The Tri State Frisbee Club has a full fall schedule with emphasis on Ultimate and disc golf. Check out the Coming Up section of this newsletter for the complete list of competitive events.

Special thanks is due to all who participated as instructors at the Philadelphia Frisbee Hacky Sack Festival. Over 50 new people joined the TSFC at this annual event. Please read my letter to Dan Roddick on the possible addition of a competitive element to next years festival as a qualifier for the U.S. Open.

A bumper crop of tournament results are listed in this issue. Can you find your name? Tournament highlights include the World Disc Golf Championship, held in Toronto, Ontario. The volume 4 number 1 issue of the Disc Golf News (PDGA) listed new members in the PDGA. Twenty six percent (26%) of the individuals listed were from the North East Region 1, our region! Spread the word, ask your friends to join the PDGA.

Boom. Pop. Wake up out there! As a Flying disc enthusiast you are supposed to be a certified loose end. The TSFC is looking for a few creative ideas from you loose ends. The 1988 competitive schedule is now being formed. The opportunity exits to initiate NEW events. I challenge all TSFC members in the coming cold months of winter to dream up some spring time excitement. How many of you remember the event MTND. The 1980 OCTAD awarded trophies in this event, do you know what it is? If you know mail in your ideas to the TSFC News letter editor Shannon Winn.

Do you like this news letter? Are you interested in changing the style or formate? Do you have an aspiration to contribute articles or art for publication in this newsletter? If so contact or send in your contributions to the TSFC Editor, Shannon Winn.

I especially want to thank Shannon Winn for putting in long hours and hard work to make the TSFC news letter the fine product that it is. See you on the Ultimate field.

The Red Tail

The first annual Red Tail Team Challenge was held in Baltimore at the Druid Hill Disc Golf Course on September 12, 1987. Despite threatening weather, seven teams from four states competed for the Red Tail Trophy and one hundred dollars. Each team, composed of 3 men and 1 woman, presented a line-up of its #1, #2, #3 and #4 golfers. The #1 golfers from the teams played together as did the #2's and so on. Scores for each team were totaled after round one and the groups rearranged to reflect team standings. The team's final score was the sum of the two rounds.

The host team from Baltimore, the Freestate Flyers, emerged victorious. Members of the team were Wayne Zink, Keith Brace, Steve Alpern, and Denise Brace. The margin of victory was 32 strokes over the team representing Mt. Kisco, New York. The Freestate Flyers relied upon steady play from their #1, #3 and #4 golfers while Keith Brace at #2 turned in a course record 40 including 12 birdies in a row.

The Red Tail Team Challenge was a successful and enjoyable venture. Everyone welcomed the chance to play for a team with friends and represent their hometown or club. By virtue of their victory the Freestate Flyers will host the event again next September. They are raising the prize to $250 and challenging all of you that missed the fun to come to Baltimore and take their trophy away. They promise to be ready for all comers.

August 22, 1987

Dear Joe:

First, due to tight finances at home, I will not be able to make it to Toronto, ON for the PDGA World Championships.

The PDGA organization has come a long way in a short time. I hope the following ideas and comments can be used to improve the PDGA even further.

1. I strongly agree with the new PDGA News letter format with a simple, and timely product. Please inform Rick Rothstein that I am interested in being a North East Regional editor for the news letter.

2. The PDGA needs to place added emphasis on new disc golfers (amateurs, novice and advance). The PDGA has historically placed 90 to 100% of the organizations resources into the professional pro tour. The organization and a few of the past and current "movers and shakers" in the organization seem to be preoccupied with raising $ to pay a small handful of elite players in tournament play.

In ball golf there are over 100 novice/amateurs for every pro player. The PDGA seems to have this ratio backwards (100 pros for every novice/amateur). This needs to be addressed by the PDGA board!

Perhaps a name change to "The Disc Golfers Association" would help.

3. Attached to this letter is an updated list of course pros for the North East Region.

4. The Volume 4 Number 1 issue of the PDGA news letter states "A metropolitan area may have just two PDGA sanctioned.....". The term "metropolitan" needs to be defined.

5. The Tri State Frisbee Club will be submitting a proposal to the PDGA Board for an East Coast Golf Championship at the 1988 OCTAD. Prize $ will be in the $2000-$4000 range. The tournament will be an overall event, three day tournament. This competitive event will be patterned after the US Open format. A total of 54 holes with an additional 9 hole final will be played. Tentative site is Lums Pond State Park in Delaware. Date is May 28, 29 and 30, 1988 (Memorial Day).

6. I agree with the PDGA decision to pay a salary to the PDGA administrator. Darrell Lynn will do a super job!

7. Good luck at Toronto. I hope you sink all your puts! Wish I could be there!

News and Rumors

President Jim Powers has suffered a thumb injury to his throwing hand and has been placed on injured reserve. We think he's really holding out for more money, or free agency, or something.

A Clean Up Sedgeley Woods tournament will be held Nov. 15 at 9:30 Am. Bring tools, garbage bags, etc. Sedgeley continues to be the premier party course in the area, the result being lots of cans and bottles left by rude golfers. On the other hand, the course is in Philly, and trash all over the place is a fine old Philly tradition.

Check out Delaware's Halloween Disc Spoof Sat Oct 31. It's a NIGHT tournament at Brandywine Creek State Park. A flashlight, and a camera flash are recommended for charging those glow-in-the-dark discs. Fees are 5$ or 4$ in costume, and there will be a party afterwards at Paul Rada's who lives practically on the course. Tee-off at dark. Call Paul at 302-654-7776.

On 11-1-87 there will be a one round tourney at Brandywine for TSFC officers and area course Pros followed by a planning meeting. Tee-off is at 1 PM.

Just a Note

The Red Tail Team Challenge was a great tournament and a terrific idea. I'm happy to have been part of it and hope the idea catches on in other ways. Anyway, great show, folks!

Rick and Linda Ross' Columbus Day Anniversary Tournament was again a happy day. It started with a round of mixed Best Disc and a lot of fun, then 2 rounds and again Rick and Linda hosted a party at their home afterwards and again it was a fun time .

At Sedgeley there will be a cleanup tournament on Nov. 15 at 9:30 AM- Format undecided, but one idea is one round followed by a round of Best Disc.

We have been experimenting at Sedgeley with a slightly different arrangement for Best Disc. The players are ranked according to ability as either "A" or "B". Teams are made up of a player from each pool. This has led to more teams being competitive until the very end. On Sat, of the five teams, four were -6, -5, -4, & -3. Not Bad! On Sun. there was a tie for first with a playoff. The ranking isn't too difficult and everyone feels he or she has a chance and isn't just part of the pool. Try it, you'll like it. Hope to see many happy faces Nov. 15!

Til later- Lots of birdies,

Paul Fein

		TOTAL	$9,954.33

NOTE: The Pittsburgh Flying Disc Society declined their commission in favor of a donation of an 18 hole course to the city of Pittsburgh by the Hunt Foundation. THANKS!

YOU TOO CAN EARN A 15% SALES COMMISSION. HERE'S HOW:

1. Make a sales presentation to your park district. Only one commission per course will be paid. If in doubt, check with our office before making a presentation to see if a letter is already on file.

2. Send us the particulars, i.e. date, who was present, what decisions were made, etc.

We will acknowledge receipt of your letter and enter it in our file. When the course is sold and we have been paid, we will pay you a 15% commission. Your commission will be protected for one year from the date we receive your letter.

You may extend your exclusive protection for one year by making a new presentation prior to expiration of the first year.

If you want to make a real contribution to the sport we all love, and get paid for it, please join our sales program. Call or write for brochures, prices, videotape, etc.

THIS IS AN EXCELLENT FUND RAISER FOR YOUR CLUB, TOO!
